We welcome all people interested in gardening and gardening related topics. We serve the West Houston and Katy areas. You do not have to live in Nottingham Country to belong to our group! NCGC is a non-profit organization affiliated with the Houston Federation of Garden Clubs, the Texas Garden Clubs, and the National Garden Clubs. The purpose of the club is to promote beautification of our community, support local and national educational and civic organizations and educate the community about our environment. Donations from the NCGC are funded by various projects throughout the year.
