Hospitality News:

This year we will be trying a new format for the hospitality group. This will allow members to volunteer for their garden club without the long term commitment! Those who volunteer will be greeting and getting to know new members, while providing the important service of a warm welcome and refreshments at our meetings!

Duties Include: 1. Arrival at 8:30am to make and set up coffee., 2. Provide one simple flower arrangement or potted plant that will be a door prize at the end of the meeting, 3. Provide a food item, 4. Greet members at meeting arrival, and 5. Stay after meeting to dispose of left over foods, pack up hospitality items, and clean up trash.

Gayle Spence will head the hospitality crew and will provide the supplies needed for set up (coffee urns, etc.) before your arrival at 8:30am. She will also facilitate the volunteer hostesses for each month via email 2 weeks prior to the meeting. If you should have any feedback or suggestions or if you would like to volunteer for a meeting, please email Gayle Spence at gspence723@gmail.com.
